CHAPTER – 1

The Holy Math and the University

Shri Baba Mastnath Math is the oldest and the most popular place of Nath Sect belonging to Kanpada Yogies. This is the main Tapasthali of Nath Yogies and is situated on the outskirts of Rohtak city, near M.D. University and adjacent to Tilyar Tourist Complex, Rohtak. The campus is on Delhi-Rohtak National Highway No.10. The Math has been the centre and livewire of ancient civilization and has been doing Yeo-men services for the benefit of mankind. To fulfil the Statutory requirements and for effective and efficient Management of Educational and Non-Educational Institutions/Organizations, the Math formed a Trust in 1980 in the name of **SHRI BABA MASTNATH AYURVED AND SANSKRIT SHIKSHAN SANSTHAN**.

Shri Baba Mastnath Ayurved and Sanskrit Shikshan Sansthan is run by Math, Asthal Bohar with an excellent track record of 250 years in social service. Although established in 8th century by **Sidh Shiromani Chaurangi Nath Ji**, it was rejuvenated by **Shri Baba Mastnath Ji** in 18th century. His able pupils have been rightfully performing the duties and responsibilities to perpetuate and eternalize the name of **Shri Baba Mastnath Ji** and what he preached.

Brahamleen Mahant Shreyo Nath Ji Yogi, the most able and active in the series of the pupils has established many institutions in the sweet memory of his **Guru Baba Mastnath Ji**, the founder of this Math. Then Late Mahant Chand Nath Yogi Ji added a feather in the cap in the field of Education and Health and also obtained a University status. Now, present Chancellor, Mahant Balak Nath Yogi Ji is doing best efforts to make it a centre of Education, Health, Spirituality and Yoga.

CAMPUS

The campus is spread over more than 200 acres of land. The campus has a beautiful combination of Spirituality, Education, Health, Technology and Greenery. This campus has newly constructed spacious buildings comprising Administrative Block, well furnished Teaching Halls Reading and Conference Halls, Computer Labs, Library, Seminar Halls, Lecture Theatres and Laboratories. The Campus has a well furnished and fully Air Conditioned Auditorium with a capacity to seat 1500 persons. The Campus has a famous Eye Hospital started in 1948. The hospital is providing wonderful services to the people of Northern India. Every year around 1 lac patients are being treated free of cost. The campus is well known for the services offered by the hospital to the people of the area.

Moot Proposition

Vijay ,native of Sikar; presently a resident of Mansarovar, Jaipur had filed an FIR on 25/05/2016 stating that his daughter Rekha was married on 5/4/2013to Mr. Mahesh, a resident of Mahesh Nagar, Ajmer. In his complaint, Vijay stated that soon after the marriage of his daughter Rekha , her husband Mahesh, his father Somnath, his mother Geeta, brother in law of Mahesh Narayan (Jija) and sister of Mahesh: Nita, started harassing, beating and demanding money as Dowry from Rekha on regular basis. In complaint Vijay stated that in the morning of 25/05/2016, he had received a call from the neighbor of his daughter’s marital home that Rekha (his daughter) had died and dismissed the call.

Police thereafter had lodged the complaint as FIR No. 183/17 u/s 304-B at Police Station Mahesh Nagar. Police after investigation submitted the charge sheet u/s 498-A, 306 of IPC on 15/8/2016in which police had attached the letter of the deceased received from Narayan which states:

(Converted from Hindi to English but if doubt Hindi will be accepted: “Sorry Papa, I don’t want to give you any sorrows in life. I always tried my best to not let a patch to be put in your reputation because of me. I neither remember that lady nor do I want to bring her near me. I was not in my senses when I had such stupid thoughts but Papa I never talk unnecessarily to any boy but because of my single mistake, my reputation is falling down in everyone’s eye. When they stopped me about this then I never thought of this thing till now. Things are not same as before, everything is finished. I cannot live anymore.”)

(Converted from Hindi to Hinglish but if doubt Hindi will be accepted:Sorry Papa, mai aapko koi dukh nahi dena chahati thi. Meri hamesha yahi koshish rahi hai ki aapko meri wajh se neecha na dekhna pade. Mujhe na uss aurat ki yaad aati hai or na hi mai use apne pas lana chahati hu. Vo mera dimag fir gya tha jo maine ye faltu ki bat sochli. Lekin papa maine kabhi bhi kisi ladke se faltu bat nahi ki or meri ek galti ki wajh se mai sabki nazaro me gir rahi hu. Inhone jab mujhe iss bare me mna kiya tha tab se ab tak iss bare me socha bhi nahi. Pehale jesa kuch bhi nahi raha sab khtm ho gya. Mai nahi jee paungi.)

In Charge Sheet, the cause of death given after Postmortem is **Asphyxia due to ante-mortem hanging**. Ligation mark was ante mortem and C2 – C3 bone was fractured. Result of examination of viscera report is “On chemical examination, portions of Viscera and blood sample from three packets marked Nil gave negative tests for metallic poisons, ethyl and methyl alcohol, cyanide, alkaloids, barbiturates, tranquillizers and insecticides”.

Complainant, Vijay thereafter filed an application, against the charges and requested for reinvestigating the matter but Additional District Judge (Women Atrocities),Ajmer rejected the application against which a Revision Petition u/s 397 Cr. P.C. was filed before the Hon'ble Rajasthan High Court, Bench at Jaipur, in which the Hon'ble Court allowed the Revision Petition vide its order dated 25/5/2017 and amend the charges on the ground that there was no bend on the blades of the fan and the fan was in its original position, the dust on the top of the fan blades was showing some intact finger prints, the height of the room was 9 ft . 10 inches, length of the fan from the roof was 18 inch. The length of one part of Chunni (Dupatta) below the motor of fan was 29 inch and the other part was 6 inch, the piece of Chunni (Dupatta) which was lying on the ground was 32 inch in length. The height of the cot including the mattress was 19 inch and the height of the deceased was 5 ft. 3 inch. On putting the calculations together with raga to the height and length of the articles, the calculation would be as under:

“The total height of the room was 9 ft. 10 inch , which is equivalent to 108 inches, height of cot was 19 inches, height of fan was 18 inch, height of deceased was 5ft, 3 inch i.e. 63 inches in total 100 inch. Total length of Chunni after the knot below the fan was 67 inches (29inches + 6 inches + 32 inches) As the Chunni was on two sides of the motor of the fan, we have to divide the same by two the result would be about 33 inches. On totaling the total length of Chunni, height of fan and cot and height of deceased, the same would be 133 inches (33.50 inches + 18 inches+19 inches+ 63inches) whereas the total height of the roof was only 108 inches. Even considering that one end of Chunni was used to commit suicide, after considering the height of the deceased, the cot and the fan, she was only 18 inch below fan, which is easily reachable and hence, it does not point out towards commission of suicide by Chunni. The length of the Chunni on the other side was 6inch. No knot was found on 32 inch of the Chunni which lay on the floor, it imply points out to the fact that the deceased did not commit suicide as pointed out by family of accused”.

After the verdict of the High Court, trial was started u/s 498-A, 304-B alternatively 302 IPC against accused.

The learned Trial Court thereafter concluded the trial on the basis prosecution witness namely Vijay Father of deceased, Laxmi Devi step mother of deceased, Radhey Shyam brother in law of Vijay (Phufa), Rahul ;nephew of Vijay, sister of deceased Meena and one neighbor, along with it court had taken the evidence of Dr. Dhruv Taneja (Medical Jurist) in relation to Postmortem Report, Ramlal Sharma Forensic Mobile Unit FSL, Jaipur, Tarun Sharma S.I. Thana Mahesh Nagar, Rockey Bhasker Add. Commissioner Police, Himanshi Shakya SHO Mahesh Nagar.

*** The below Para of this moot proposition i.e. Judgment would be read & used by the participants only after Preliminary Rounds i.e. from Quarter Final Rounds onwards**

The Court recorded the statements of Prosecution witnesses namely Vijay, Laxmi Devi, Radhey Shyam, Rahul, Meena and Neighbor of Vijay and also recorded the statements given by the accused in defense namely Somnath, Geeta, Narayana, Nita, Mohan and Neighbor of Mahesh. The learned Trial Court after examining all the witnesses, evidences produced before him and after hearing the Prosecution and Defense council in length, had convicted Mahesh vide its order dated 23-05-2018 u/s 304B by punishing him 10 years of imprisonment with Rs. 11000/- as fine. Mahesh thereafter, had filed an appeal before the Appellate Court challenging the Conviction order of the Trial Court.
