Dean Academic Affairs

Guest of Honour
Prof. (Dr.) Mukesh Singla
Controller of Examination

Guest of Honour
Prof. (Dr.) Ravi Rana
DEAN STUDENT WELFARE

Organized by : Internal Quality Assurance Cell (IQAC)

About the University

Baba Mastnath University, Rohtak, a private self-financing University, blossomed under the aegis of Shri Baba Mastnath Math, Asthal Bohar in 2012 under Haryana Private Universities Act 2006. BMU has achieved significant academic growth and development in the field of professional and health sciences education over the last one decade. Guided by well-defined, clearly articulated Vision, Mission and Goals the BMU is the all- inclusive platform for diverse fields of career such as B.A.M.S, Pharmacy, Management, Law, Engineering, Science, Humanities, Commerce, Nursing and much more. Organizational values of transparency, participative management and decentralization are reflected in internal quality assurance efforts, modernization of the examination system, regular meetings of the Heads of Departments and various statutory and non-statutory bodies. University has introduced an Annual Quality Assurance Exercise attesting to the pursuit of quality in all aspects at all times. In keeping with global trends in higher education, University imparts to all students a globally relevant and locally applicable curriculum of international standards. Outcome and Skill based training is achieved through the Clinical Skill Labs, Cadaveric Skill Lab, an active Medical Education Training Unit, adoption of the latest pedagogy and assessment methods. Incorporation of research in both UG and PG programmes, evidence-based teaching, interactive and case-based learning, early clinical exposure, industry-academia collaborations, remedial classes and emphasis on field and community-based visits ensure our graduates are competitive for both higher education and employment opportunities. Holistic student development is a priority. Measures such as University Moral Guidance Scheme, Student Guardianship Programme, Student Councils, PG Club, NSS, Women Development Cell, Internal Complaint Cell, Anti-Discrimination Cell, Students' Grievance Cell, Entrepreneurship Cell, Anti-ragging cell, Student Welfare Cell all contribute to providing a motivating and supportive environment conducive to optimizing personal and professional potential of students.

About the Program

It is a matter of immense pleasure that IQAC, Baba Mastnath University, Asthal Bohar, Rohtak is going to organize an Interdisciplinary Four Weeks Orientation Program on Publication Ethics & Research Methodology from 1st June 2023 to 28th June 2023 in Online mode in the University. This program is intended to enrich and explore the knowledge among research scholars, faculty members and any other who want to excel their knowledge in the field of research. The Program will help in better understanding of different aspects and concepts in the field of research.

Conducting research on a particular topic in a particular field is quite a complicated process, which demands for several skills and a depth of knowledge about research. It has been found that since from the beginning like selection of the research problem, identifying gaps in reviewed literature, sampling, data-collection and handling the data properly according to the nature of the study and nature of the variables is very difficult for the beginners

Scope

Baba Mastnath University will cater to the needs of Faculty Members, Non-Academic Functionaries / Administrators / Other Working Officials, Independent Officials and Research Scholars as per guidelines of UGC as well as according to the demand of environment and participants from time to time. To commensurate with it, BMU aims to organize various

activities including orientation programmes, Orientation courses, interdisciplinary courses, short term programmes, certificate courses in various disciplines / streams, training programmes, FDPs, seminars and conferences in a regular mode. Accordingly, various activities and courses of longer and shorter duration are organized by BMU. The programme organized by BMU, will use variety of pedagogical tools including Case Studies, Role Plays, Lectures, Demonstration and Practical training in laboratories, etc.

Objectives of the Orientation Course

1. To guide research process with necessary knowledge and skills to undertake a piece of research work in any area of choice.
2. To train researcher various methods, tools and techniques with the help of SPSS and E-Views.
3. To enable researchers, irrespective of their discipline, in developing appropriate methodology for their research studies.

Target Group

The primary target group for training programme is teachers in Colleges, University Departments and Academic Institutions who are engaged in research, or are planning to undertake research.

Expected Outcome

1. After attending Orientation Course, participants will get in depth understanding of research and its implications in decision making process.
2. Gain better understanding on how to design a valid research project to answer specific research questions.
3. Design reliable and valid questionnaires for collection of data.
4. Use descriptive and predictive statistical tools using robust analytical softwares namely SPSS and E-Views
5. To make the participants familiar with univariate, bivariate and multivariate statistical Techniques.

Focus of the Orientation Course

Four Weeks Orientation Course on Publication Ethics & Research Methodology is designed to impart knowledge on skill pertaining to research methods and tool/scale developing techniques, publications, ethics to be followed by researcher and published various open platforms, plagiarism problems, report writing, choosing an ideal research topic, abstract, thesis and research papers, selecting right journals for the produced research papers and handling editorial decisions along with revising the manuscript in line with the suggested comments of peer referees.
