Ref. No. BMU/DOS/2023/ \_\_\_\_\_

Dated: \_\_\_\_\_

**EVENT PROPOSAL cum CIRCULAR**

**Theme: Learn to Grow Gardening Skills**

The Department of Botany, Faculty of Sciences and Eco-Biodiversity Club, Baba Mastnath University, in association with IQAC- BMU are pleased to organize a workshop on "*Learn to Grow Gardening Skills*" on December 11, 2023. It is likewise a great way to get exercise, connect with nature, and relieve stress.

**What You Will Learn**

In this workshop, you will learn the basics of gardening, including:

- How to choose a planting location
- How to prepare the soil
- How to select and plant seeds or seedlings
- How to water and care for your plants
- How to harvest your crops
- How to troubleshoot common problems

**Who Should Attend?**

This workshop is for any students who are interested in learning how to grow their own food or flowers. No prior experience is necessary.

**Workshop Schedule**

The workshop will be held on December 11, 2023 at 10:30 AM (Morning Session; Lecture by expert and Evening Session; Visit to nearest nursery) and at room no- 212 second floor, Faculty of Sciences, Baba Mastnath University- Rohtak. *The workshop is free of cost to attend.*

**Materials**

Please bring the following materials to the workshop:

- Pen or pencil
- Notebook
- Comfortable shoes and clothing that you can get dirty in

Interested students submit your names to Dr. Kirpa Ram (Assistant Professor, Botany) before 09-12-2023.

## **Report on 'Skill Gardening' Workshop organized by Botany Department and Eco-Bio Diversity Club, Baba Mastnath University**

**Date:** December 13, 2023

**Venue:** Baba Mastnath University

**Organizers:** Botany Department and Eco-Bio Diversity Club

On December 13, 2023, Baba Mastnath University organized a one-day workshop titled 'Skill Gardening,' jointly organized by the Botany Department and the Eco-Bio Diversity Club. The workshop aimed to promote gardening as a means of employment and foster a deeper connection with nature among participants. The primary objective of the workshop was to educate participants about various aspects of gardening, including its structure, types, significance, and the need for gardening and encourage students to explore gardening as a potential career option. The workshop was attended by faculty members including Dr. Pallavi Bharadwaj, Dr. Manoj Antil, Dr. Parveen Bhatt, Dr. Chanchal Malhotra, Dr. Seema, Dr. Neha, Dr. Anu, Dr. Ishu, Dr. Sunita Dahiya, and Dr. Pooja, who provided valuable guidance and support throughout the event.

### **Sessions:**

#### **Session 1:**

- Dr. Kamal Saini, a Horticultural Development Officer, delivered an informative session on different facets of gardening in a simple and accessible language.
- Topics covered included the structure of gardening, types of gardening, its significance in environmental conservation, and the growing need for gardening in modern society.
- Knowledge gained from this session was not limited to students of the Botany Department but was extended to students from various other departments as well.

- Students enthusiastically pledged to plant at least one plant in their home gardens, reflecting their commitment to applying the knowledge gained from the workshop
- Other Speakers:** Dr. Ramesh Dubas, Associate Professor of the Chemistry Department at Jat College, and Ms. Kusum Sharma, District Coordinator of Haryana State Biodiversity Board, graced the event and inspired the students with their valuable insights.

**Session 2:**

- In the second session, students had hands-on experience in gardening skills at the Herbal Garden.
- Witnessing the diversity of plants in the Herbal Garden ignited enthusiasm among the students, who expressed their intention to create a special section for herbs in their home gardens.

## Faculty of Sciences, BMU

15 Dec 2023

On December 13, 2023, the Botany Department and Eco-Bio Diversity Club of BBaba Mastnath University - BMU organized a one-day workshop on 'Skill Gardening.' The purpose of this workshop was to promote gardening as a means of employment along with a connection to nature. In the first session of the workshop, Dr. Kamal Saini, a Horticultural Development Officer, presented various aspects of gardening, including its structure, types, significance, and the need, in a simple and accessible language. The knowledge gained from this workshop was not only shared among the students of the Botany Department but also extended to students from other departments. Students pledged to plant at least one plant in their home gardens. The event was attended by Dr. Ramesh Dubas, Associate Professor of the Chemistry Department at Jat College, and Ms. Kusum Sharma, District Coordinator of Haryana State Biodiversity Board, who also inspired the students. In the second session, students learned gardening skills in Herbal Garden. Witnessing the diversity of various plants, they felt enthusiastic and planned to create a special section in their home gardens. on this occasion by Dr. Pallavi Bharadwaj, Dr. Manoj Antil, and Dr. Parveen Bhatt, Dr. Chanchal Malhotra, Dr. Seema, Dr. Neha, Dr. Anu, and Dr. Ishu, Dr. Sunita Dahiya and Dr. Pooja were also present. #GardeningWorkshop #NatureConnection #SkillDevelopment
